

HARC DATA TRAINING CONFERENCE

Goal:

To empower participants to understand, apply and present findings from the HARC Health Needs Assessment and other relevant health research data in your health advocacy and policy work in Eastern Riverside County.

Objectives*:

Upon completion of this training participants will be able to:

- ❖ Understand the appropriate uses and limitations of data
- ❖ Identify and apply criteria needed to evaluate the integrity of data
- ❖ Utilize HARC data to identify policy and program goals and target audiences
- ❖ Find relevant data and address gaps in data
- ❖ Determine data relevant to target audiences
- ❖ Communicate HARC findings
- ❖ Anticipate and prepare responses to critics
